## **U.S. Highway 14 Lane Closures Planned as part of Pierre/Fort Pierre Bridge Project**

PIERRE, S.D. – On Monday, April 17, 2023, the inside westbound and eastbound lanes of U.S. Highway 14 will be closed from Stanley Road in Fort Pierre across the Pierre/Fort Pierre Bridge to the Ramkota Hotel located at 920 W. Sioux Ave. in Pierre.

The contractor plans to set up traffic control to close the inside lanes over the Pierre/Fort Pierre Bridge in preparation for the reconstruction of the intersection of U.S. Highway 14 and U.S. Highway 83 in Ft. Pierre.

The outside lane of traffic in both directions will be unimpeded while the intersection is being completed.

Median work will begin between the intersection and the Fort Pierre bridge abutment. This work will be done prior to the intersection work beginning on Monday, April 24, 2023.

During the lane closures, the traveling public may encounter backed up traffic, flaggers, and possible stop and go conditions depending on the contractor's daily operations.

Find additional information about the Pierre/Fort Pierre Bridge construction project at <https://pierre-ftpierrebridge.com/>.

### **About SDDOT:**

The mission of the South Dakota Department of Transportation is to efficiently provide a safe and effective public transportation system.

For the latest on road and weather conditions, road closures, construction work zones, commercial vehicle restrictions, and traffic incidents, please visit <https://sd511.org> or dial 511.
